

Smartline SmartSink

Electric Height Adjustable Washing Stations improve productivity

Features

- Smartline SmartSink offers your reprocessing department an electric height adjustable washing station which improves productivity and reduces the risk of staff injury.
- Smartline SmartSinks are manufactured in Australia and constructed out of 304 grade stainless steel.
- The Smartline range of SmartSinks offer a complete, customisable washing station solution for your departments requirements.
- Smartline SmartSinks feature a 300mm high tapered splashback and tapered benchtop with wetdeck perimeter, offering smooth surfaces for easy cleaning for infection prevention.
- SmartSinks include easy-to-use electric height adjustment with anti-collision technology from 850mm to 1080mm off the ground. Controls are positioned under the sink top offering the user full control and easy access.
- Smartline SmartSinks offer so many customisable options; multiple bench surface, two different or customisable bowl depth, rectangular, circular, single and/or double sink options, sink inserts, shelves, trays and racks and tapware to name a few.
- All Smartline SmartSinks are manufactured with adjustable bolt down feet.
